A Welcome Touch

TORLYS Leather accentuates the distinguished styling and allure of leather to create a uniquely beautiful and enjoyable flooring experience.

TILE

Leather Tile

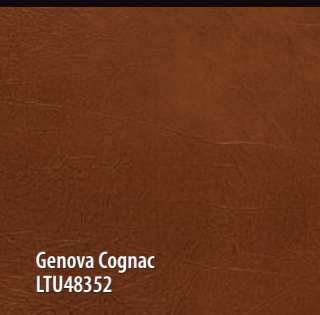

TORLYS Leather makes expressive use of bevel-edged tile. Created in an oversized format, the tile adds clean geometric elegance to the rich, distinctive graining of the leather. The effect is eye-catching and still retains simplicity and refinement.

What makes TORLYS Leather different from other floors?

- 1. Environmentally friendly production: Using 100% recycled leather is a natural way to ensure a cycle of material re-use, where leather that would otherwise be wasted is used to create exceptional flooring.
- 2. TORLYS Leather Floors help you create a healthier home as they contain no harmful VOC emissions, no added formaldehyde and exceed California Indoor Air Quality standards, among the most stringent in the world.

Can I put TORLYS Leather anywhere in my house?

TORLYS Leather is an engineered product, well-suited for installation below grade, over concrete and even over existing floors. Depending on the application, different underlays may be required. Ask your local TORLYS dealer for more information on different applications and what you may require.

How do I maintain my TORLYS Leather floor?

TORLYS Leather requires the same maintenance as all other TORLYS floors. Simply vacuum or sweep your floors once a week or as needed. To clean your floors, use TORLYS Natural Glow® Eco-Friendly Maintenance Kit once a week or as needed. Clean up any spills with a cloth.

Can I easily repair my TORLYS Leather floor?

Yes. Only TORLYS offers you the Bulldog, a tool that allows you to repair any plank in your floor, even if it's in the middle of your room, with no power tools, dust or noise.

What is the Uniclic joint?

The Uniclic joint is a patented joint guaranteed to resist gapping, warping and cupping. (Some floating floors promote their joint systems, but if it doesn't say Uniclic, it's not the same.) The patented Uniclic is integral to TORLYS Leather. During installation, it doesn't require messy glues or chemicals, or nails of any kind. Uniclic creates a remarkably stable and gap-resistant floor, and because the click joint process is reversible, the floor can be re-used up to 3 times under warranty.

Can I install TORLYS Leather myself?

TORLYS Leather uses the patented Uniclic joint, a glue and nail-free joint system that ensures a great-looking floor and makes installation easy. All you need is a saw, hammer, installation kit, tape measure, pencil and some time to install your floor. There are also professional installers. Ask your local TORLYS dealer for more details on installation.

Can I order samples of TORLYS floors?

Yes. TORLYS Online Sample Ordering makes it easy to request any flooring sample. Visit our website at www.torlys.com, and click "Order Samples" on the home page. For a small fee, your package will include a minimum of 3 (three) 4"X 6" flooring samples of the collection and style of your choice, up to 4 (four) TORLYS brochures and a rebate coupon off your purchase.

How will my TORLYS Leather Floor perform over time?

All TORLYS Smart Floors are fully tested for performance and come with 25-year Residential Wear Warranty, a Lifetime Structural and Joint Integrity Warranty, and a 5-year limited Commercial Warranty. TORLYS Leather is covered by the same testing and our assurance of quality. These warranties apply to the original end user, are not transferable, and cover only approved product applications. Please note that these warranties are valid from the date of purchase as shown on the consumer invoice. Warranties are valid only if proper installation (including the use of TORLYS recommended underlay products, where needed) and maintenance procedures are followed. Visit torlys.com for detailed information.

1. 25-Year Wear Warranty

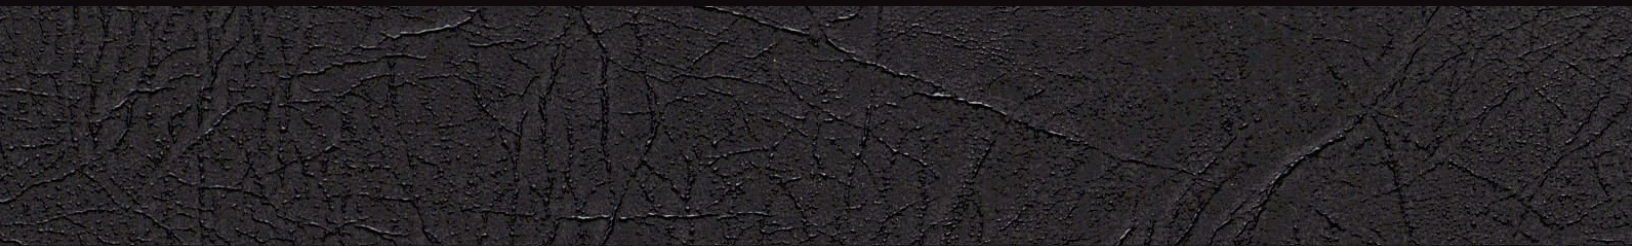

This is restricted to wear on the surface of the boards. The wear must be readily visible and cover a minimum of 10% of the installed floor. Gloss reduction is not considered wear.

2. Lifetime Structural Warranty

We guarantee this product is free from manufacturing defects and will remain free of these defects for as long as you own your residence.

3. Lifetime Joint Integrity Warranty

The joint will remain secure and the planks will not come apart. Note: All TORLYS Leather floors are engineered to minimize gapping that can occur in natural floors with seasonal fluctuations. Minor gapping (up to 0.2mm or 0.01”), without the unlocking of the pieces, may occur and is not considered a defect.
